| 4 | | 4 | CHAIRMAN NEWTON: Okay, in the comments. |
| 5 | | 5 | DR. MOORE: had the same concerns. |
| 6 | | 6 | CHAIRMAN NEWTON: Okay. I see now in the |

| 7 | | | • |
| 8 | 1 | 8 | concerns." Okay. |
| 9 | e | 9 | Then my concerns were from the in the |
| 10 | 1 | 10 | rationale on this one it said there were high |
| 11 | 8 | 11 | there was a high level of student impact. And then |
| 12 | 51 5 | 12 | if you go to our appendix where we it does the |
| 13 | 1 2 | 13 | sanctions, under probation it says low and moderate |
| 14 | 8 | 14 | level. But then when you go to high level it moves |
| 15 | E 1 | 15 | to suspension, because it says moderate to high |
| 16 | 8 | 16 | level. So to me the sanction did not line up with |
| 17 | 5 1 | 17 | what it said in the actual information that we |
| 18 | 1 | 18 | received. So I would also be willing to send this |
| 19 | | 19 | one back for an evidentiary hearing also. |
| 20 | | 20 | DR. MOORE: I will second that. And I feel that |
| 21 | , e , | 21 | it is I appreciate when we have mitigating |
| 22 | have comments we'll go start on this side on | 22 | evidence that will show why, you know, this is a less |
| 23 | this case or questions? | 23 | severe penalty than maybe the rubric outlines. And |
| 24 | Dr. Rankin? | 24 | since we don't have any of that here we have |

CHAIRMAN NEWTON: Dr. Moore? DR. MOORE: No questions. CHAIRMAN NEWTON: Ms. McFetridge? MS. McFETRIDGE: No. Thank you. CHAIRMAN NEWTON: Dr. Rankin? DR. RANKIN: No questions. CHAIRMAN NEWTON: Okay. I think then we would be ready for a motion. DR. MOORE: I make the motion to I forget what the motion is for for the approval. I'll make a motion to approve the waiver. You have great recommendations from your prior employer. MS. LAWSON: Thank you. CHAIRMAN NEWTON: We have a motion by Dr. Moore |

But my name was put on there, along with Claudine Stubbs, because I was the owner of the business. And so in 2008, being a private school they said this could happen to anybody; so I've been working there for 15 years. Well, in 2008, I did get an attorney. I was told that it was going to be handled, and obviously it wasn't. So this year I had a job opportunity at Harmony Grove and I decided to take it. Well, I was going from private to public school and this comes up again. I didn't know that it was going to be on there again. So I do have an appointment with DHS on August 27th to have my name removed, and I do have a lawyer again, so it's been lots of money. But I have been an educator for 18 years and it's my way of life. I can't imagine not doing anything else. CHAIRMAN NEWTON: Okay. MS. LAWSON: So I'm asking humbly for a waiver so that I can continue my life work. CHAIRMAN NEWTON: Okay. All right. Thank you. MS. LAWSON: Thank you. | 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 | that we're aware of that they have to work through these requests. MS. POST: Okay. Thank you. CHAIRMAN NEWTON: Ms. Dean? | 2 | CHAIRMAN NEWTON: Second by Ms. McFetridge. | 2 | case is going to have to make a factual determination |
| 3 | All in favor? | 3 | from the outset. Before you consider the actual |
| 4 | (UNANIMOUS CHORUS OF AYES) | 4 | appeal, the question is I mean, as I said, the law |
| 5 | CHAIRMAN NEWTON: Any opposed? | 5 | requires that school choice applications that |
| 6 | All right. Congratulations. Harmony Grove is | 6 | parents submit them to school districts by May 1st. |
| 7 | going to be lucky to have you. | 7 | If they are not submitted by May 1st, they cannot be |
| 8 | MS. LAWSON: Thank you so much. | 8 | considered; they're considered late and that's |
| 9 | CHAIRMAN NEWTON: All right. So we | 9 | something that cannot be appealed. |
| 10 | Okay. Mr. Sutton? | 10 | Now Midland said it did not receive the school |
| 11 | MR. SUTTON: I would like can I go back to | 11 | choice appeal. The Bald Knob School District says |
| 12 | something on the consent agenda that sort of got by | 12 | that they faxed the school choice appeal to Midland |
| 13 | me? Is that okay? | 13 | prior to the May 1st deadline. |
| 14 | CHAIRMAN NEWTON: I would have to ask Ms. Freno. | 14 | So in this case your first step is to make the |
| 15 | SECRETARY KEY: The question is do you want to | 15 | factual determination as to whether or not Midland |
| 16 | make just a comment on it? | 16 | School District received the school choice |
| 17 | MR. SUTTON: Yeah, I really just want to make a | 17 | application on or before May 1st. And I recommend at |
| 18 | comment. | 18 | this point we do not go into the entire appeal |
| 19 | CHAIRMAN NEWTON: Okay. All right. | 19 | because if you determine that Midland did not receive |
| 20 | SECRETARY KEY: Yeah, I think that's fine. | 20 | it on or before May 1st the appeal must be denied. |
| 21 | (OFF THE RECORD FOR CONSENT AGENDA ITEM DISCUSSION) | 21 | But if you do decide that Midland did receive it, |
| 22 | (BACK ON THE RECORD) | 22 | then the school choice appeal can go forward. |
| 23 | | 23 | And so what I would recommend is at this point |
| 24 | CHAIRMAN NEWTON: So we are to the school choice | 24 | the Chair would put anyone who's going to be |

| 8 | Okay. All right. Go ahead. All right. | 8 | application. |
| 9 | MS. FRENO: Good morning again. Lori Freno, | 9 | CHAIRMAN NEWTON: Okay. So all we are |

| 12 | Gordon family appeals the denial of their school | 12 | MS. FRENO: That is correct. |

| 14 | is the Midland School District, and here representing | 14 | that's going to testify on the application and |
| 15 | Midland is Superintendent Bruce Bryant. The | 15 | timeline, would you stand and raise your right hand |

| 8 | been able to work in the best interest of students, | 8 | this occurs a parent goes to the nonresident school |
| 9 | and in this case the best interest of this student is | 9 | district to file the application. Does the law say |

| 12 | DR. MOORE: But from that, why didn't Bald Knob | 12 | SECRETARY KEY: So, you know, before the last |
| 13 | why didn't you all send the letter to Midland | 13 | revision and, Lori, I think we revised this in |
| 14 | until July, if that makes sense, if it was originally | 14 | 2019 the it was to be there was confusion |
| 15 | submitted in April? | 15 | over to whom it was to be filed. We clarified that |
| 16 | SUPT. GIPSON: We acted on our school choice | 16 | in the 2019 session so that it was very clear that |
| 17 | papers in June and our bookkeeper always sends them | 17 | the nonresident and the resident district it had |
| 18 | out at the beginning of July. That's a standard | 18 | to be filed by the parent with both districts |
| 19 | practice. We also received the same type of letters | 19 | DR. MOORE: So the parent |
| 20 | from other districts in July, after we sent ours out. | 20 | SECRETARY KEY: by the May 1 deadline. |
| 21 | DR. MOORE: Okay. So that you send them all | 21 | DR. MOORE: So the parent has to go physically |
| 22 | out at that time; this is not a unique one | 22 | to both districts to do that? |
| 23 | SUPT. GIPSON: Yes, ma'am. | 23 | SECRETARY KEY: Yeah, I'm not sure about |

DR. MOORE: Okay. But we don't have any -- I

MS. FRENO: Dr. Moore, I mean the parent doesn't

have to go physically though, but they have to

| application. | 10 | DR. MOORE: No. But I will I'll make a |
| DR. MOORE: Okay. | 11 | comment. I am looking at the application and I do |
| MS. FRENO: And it's not as though one district | 12 | think that maybe potentially we need to talk about |
| receives it and then another they forward it on. | 13 | how we can make it more clear. Because just someone |
| | | • |
| It's the parent's responsibility to get it to both. | 14 | that knows a little more about this, I'm still a |
| DR. MOORE: So it's not usually faxed by that | 15 | little bit confused. But I see on the application |
| school district? | 16 | where it says it must be sent to the resident and |
| MS. FRENO: No. I mean some school districts | 17 | nonresident school district. But I feel I could |
| might. I don't know. But that is not what is | 18 | see how I feel like we've had similar incidents |
| contemplated in the law or rules. | 19 | like this before where something has happened. So |
| SECRETARY KEY: I think for convenience we have | 20 | that's all my questions now. |
| seen instances where one school district or the other | 21 | MS. WOODS: I do think they have clarified it |
| would just, again, for convenience fax it to the | 22 | legally correct, Commissioner for this coming |
| other district, which is helpful. But there are | 23 | year? Or are you talking about making it clear on |
| other methods of delivering it, either in person | 24 | the application? |
| mail, Lori, I think is an U.S. mail. I mean, I | 25 | DR. MOORE: On the application |
| Page 50 | | Page 52 |
| think there whatever mode of | 1 | MS. WOODS: Oh, okay. |
| MS. FRENO: Yes. | 2 | SECRETARY KEY: I'll let yeah. |
| SECRETARY KEY: conveyance that they choose | 3 | DR. MOORE: Just to give parental information. |
| to make sure that it gets there. | 4 | SECRETARY KEY: Well, and I'm checking. I know |
| MS. FRENO: That is correct. It does not have | 5 | applications really the challenges we have is that |
| to be hand-delivered at all. | 6 | old versions of applications float around for a long |
| DR. MOORE: Okay. And where does it say does | 7 | time. So I mean I can't speak to whether we can |
| it say on the application that you have to you as | 8 | find out quickly if the current version is clear; but |
| the parent need to send it to both? | 9 | if it's not, certainly that's something we need to |
| • | | · · · · |
| MS. FRENO: I don't know if it's on the | 10 | address. |
| application, but it is in the law and in the rules. | 11 | MS. FRENO: If I may |
| DR. MOORE: I guess I'm kind of just thinking as | 12 | CHAIRMAN NEWTON: Ms. Freno. |
| a parent where would I go to learn this information? | 13 | MS. FRENO: And I just think, just to kind of |
| Is it I'm going to the Department of Ed.'s website | 14 | show the whole context, also we get many, many, many, |
| and it's telling me I need to send both? | 15 | many school choice calls and we guide people to our |
| MS. FRENO: Yes. The Department of Ed. website, | 16 | website all the time. I mean there's lots of |
| we have a school choice page on our website of FAQ's | 17 | guidance we provide to families who are interested in |
| and also with a copy of the rules. | 18 | school choice. |
| DR. MOORE: Okay. | 19 | CHAIRMAN NEWTON: Yes. |
| MS. FRENO: Uh-huh. And a copy of the | 20 | DR. MOORE: Thank you. |
| application, as well. | 21 | CHAIRMAN NEWTON: Ms. McFetridge? |
| DR. MOORE: Okay. | 22 | MS. McFETRIDGE: I tend to side with the parents |
| CHAIRMAN NEWTON: Okay. You can come forward. | 23 | in that Bald Knob did tell her that she had done |
| MRS. GORDON: I guess just to speak on that, | 24 | everything she needed to do. So I think there was |
| when I went to the school district that's what I was | 25 | definitely some confusion on the parents' side. And |
| when I wont to the behoof district that 5 what I was | | contact of the contactor on the purches side. And |

trying to find out. You know, I had the paperwork but it doesn't say on that now I need to go over to the other school and give it to them, which is why I kept reiterating, "What else do I need to do? When am I going to hear about that?" And she said, "As And so I needed.

| 3 | asking for requests. But I would tend to think if I | 3 | DR. MOORE: Yes. It looks to me like the one |
| 4 | asked a question and somebody had told me I've done | 4 | that they used is not the most current application. |
| 5 | everything I need to do I would put it out of my mind | 5 | SECRETARY KEY: That's right. |
| 6 | and go on with my day. So | 6 | DR. MOORE: Okay. |
| 7 | CHAIRMAN NEWTON: Okay. | 7 | SUPT. GIPSON: And we have [audio distortion] |
| 8 | MS. McFETRIDGE: I had to comment. | 8 | about the new form. |
| 9 | CHAIRMAN NEWTON: Dr. Rankin? | 9 | CHAIRMAN NEWTON: Say that again, Ms. Gipson. |
| 10 | DR. RANKIN: I will just say that to me sending | 10 | SUPT. GIPSON: I apologize. I'm not sure when |
| 11 | a fax and not having some type of verification for | 11 | I'm supposed to speak. We have printed off the new |
| 12 | that is very risky for something this substantial. I | 12 | form to avoid this issue in the future. |
| 13 | mean this is impacting the lives of these families, | 13 | CHAIRMAN NEWTON: Thank you. |
| 14 | the lives of the resident district, the nonresident | 14 | DR. MOORE: And I'd like to ask the Department a |
| 15 | district. | 15 | question further. When a parent does this they |
| 16 | I would just be curious to hear from Ms. Gipson. | 16 | when they submit the application, I mean to some |
| 17 | You mentioned you are going to consider changing your | 17 | extent it's first-come first-serve because you're |
| 18 | policies. What does that look like for you in the | 18 | placed on a list in order of application received. |
| 19 | future? Because this is concerning that a fax just | 19 | Is the list for an entering nonresident school |
| 20 | got sent out and there wasn't a phone call, a | 20 | district accepting students, is that list based on |
| 21 | verification email, some type of verification, proof | 21 | when that nonresident district receives the |
| 22 | that that fax was indeed received by the other side | 22 | application or when the resident district receives |
| 23 | when you did have parents waiting for that answer and | 23 | the application? |
| 24 | needing that. | 24 | SECRETARY KEY: In the case of the 3%, it would |
| 25 | SUPT. GIPSON: Well, so we always try to be | 25 | be the resident district because they are the |
| | | | |
| | Page 54 | | Page 56 |
| 1 | customer service oriented with our parents, and so we | 1 | district the losing district, for lack of a better |
| 2 | have always taken that step and faxed those documents | 2 | word. |
| 3 | ourselves. But in the future we will advise them to | 3 | DR. MOORE: Okay. |
| 4 | deliver a hand-copy, in addition to our typical | 4 | SECRETARY KEY: And so the order in which |
| 5 | practice which is to fax the applications. It's also | 5 | they're received would be important to the resident |
| 6 | how we receive those from other districts. I would | 6 | district in that case. |
| 7 | say that we could send them via email but with a | 7 | DR. MOORE: Okay. Yeah, because I think I |
| 8 | read receipt, but you know that someone can decline a | 8 | recall an instance where the nonresident district |
| 9 | read receipt. So the only other step would be a | 9 | faxed everyone too late to the resident district. |
| 10 | certified copy being sent. | 10 | So, yes, I guess so I guess from this it needs to |
| 11 | I do know that Ms. Christy Thomason said there | 11 | be made very clear that the parent needs to as soon |
| 12 | has verified what the parent said. But she did | 12 | as possible submit it with both, because both matter |
| 13 | advise the parent, because she advises every parent, | 13 | for timing purposes. |
| 14 | that we take the application then and we fax them. | 14 | SECRETARY KEY: Both matter. And in the purpose |
| 15 | This is the only application of many that was not | 15 | of capacity, which this is not capacity but we'll |
| 16 | received and that we have run into an issue with this | 16 | have another one that is, it would be important to |
| 17 | year or in the last five years that I've served as | 17 | the nonresident district as far as, you know, the |
| 18 | superintendent. | 18 | timing of when they were received. |
| 19 | SECRETARY KEY: I'd just confirm that the form | 19 | DR. MOORE: This is not the time for this |
| 20 | that is currently on the website does say that it | 20 | conversation, but have we ever thought about a |
| 21 | should be sent must be sent to both districts, | 21 | digital portal where just all goes or do we want to |
| 22 | resident and nonresident. And again that's not | 22 | leave this to the local districts? |
| | | 1 | |
| 23 | really placing the fault on anyone. As I said, there | 23 | SECRETARY KEY: Agree. I don't know that we have |
| 24 | are old versions of our forms that live forever in | 24 | considered a digital portal for this. |
| | | | |

MS. WOODS: I have a question for the resident

| 3 | schools, since I know the ultimate argument is | 3 | don't have any documentation? |
| 4 | your 3% capacity. | 4 | SUPT. BRYANT: I'm not sure we |
| 5 | SUPT. BRYANT: Correct. | 5 | CHAIRMAN NEWTON: You'll have to come to the |
| 6 | MS. WOODS: Have y'all received other faxes? | 6 | microphone. I'm sorry. |
| 7 | SUPT. BRYANT: We receive these applications in | 7 | SUPT. BRYANT: I don't want to be argumentative. |
| 8 | a variety of ways, by fax, by email, by First Class | 8 | I'm not sure that we've been on the other side of |
| 9 | mail, by hand delivery. So we receive them in a | 9 | this coin with Bald Knob. Maybe with one student; |
| 10 | variety of ways. | 10 | I'm not sure. But usually we're not on the other |
| 11 | MS. WOODS: I mean as I read the rules here, you | 11 | side of this coin with them, so |
| 12 | know, it talks about sending it postmark. I mean | 12 | CHAIRMAN NEWTON: Okay. All right. Thank you. |
| 13 | obviously the rules intended for a physical piece of | 13 | All right. Any other questions or comments from |
| 14 | paper to be postmarked to a nonresident district. | 14 | the Board? |
| 15 | But I know times have all I mean legal still uses | 15 | So we're only considering the timeline right |
| 16 | fax, one of the only industries to do that. So I get | 16 | now, and Ms. Freno gave me some help as far as what |
| 17 | it. But I was just kind of curious since the issue | 17 | an appropriate motion would be. So I'm going to let |
| 18 | is did it get faxed or did it not, did you receive | 18 | you know those now. One motion could be "I move that |
| 19 | fax receipts from other places | 19 | the appeal be dismissed and the Midland" "I move |
| 20 | SUPT. BRYANT: We | 20 | that the appeal be dismissed; the Midland School |
| 21 | MS. WOODS: during this timeframe? | 21 | District did not receive the school choice |
| 22 | SUPT. BRYANT: And we did. | 22 | application by May 1." The other one is, "I move |
| 23 | MS. WOODS: Okay. | 23 | that we consider the appeal because the Midland |
| 24 | SUPT. BRYANT: And when we're on the other side | 24 | School District did receive the school choice |
| 25 | of this, we tend to follow-up with the other district | 25 | application by May 1." So those are your two motions |
| | | | |
| | Page 58 | | Page 60 |
| 1 | to make sure that they're in receipt of whatever we | 1 | that would be appropriate. |
| 2 | send to them. Our practice is to scan and email. We | 2 | Do you want more discussion? |
| 3 | scan the document, email it directly to the | 3 | MR. SUTTON: Yeah, obviously for me. Is there a |
| 4 | superintendent or to whoever that identified person | 4 | third option? |
| 5 | is, and then we ask them to reply back to that. | 5 | CHAIRMAN NEWTON: No, that's the only two she |
| 6 | That's one method that we use as our protocol. | 6 | gave me, so |
| 7 | MR. SUTTON: That's when you're in the non- | 7 | SECRETARY KEY: Well, let me I think because |
| 8 | district position? | 8 | she explained you have to find the fact, there's |
| 9 | SUPT. BRYANT: Yeah, when we're on the other | 9 | the fact can only be they did receive it or they |
| 10 | side of the | 10 | didn't receive it. And I think that's why Ms. |
| 11 | MR. SUTTON: Yeah. | 11 | Freno's motion was or the options that Ms. Newton |
| 12 | SUPT. BRYANT: of this issue. | 12 | lined out were presented by Ms. Freno. |
| 13 | CHAIRMAN NEWTON: Okay. I had a question for | 13 | CHAIRMAN NEWTON: Yes. In the video she said we |
| 14 | Ms. Gipson. It's been awhile since I've sent a fax, | 14 | had to make a determination of fact. |
| 15 | but I seems like I remember when you send a fax it | 15 | And, Ms. Woods, you'll help me to make sure I'm |
| 16 | spits out something that has a date and a time stamp | 16 | saying this correctly. |
| 17 | on it. Do you have any kind of documentation like | 17 | MS. WOODS: No, I was just going to offer |
| 18 | that? | 18 | CHAIRMAN NEWTON: Okay. |
| 19 | SUPT. GIPSON: No. That is not something that | 19 | MS. WOODS: because I know we get caught up |
| 20 | we've done in the past. We haven't kept it. We've | 20 | one of my very first lawyers that I worked for, he |
| 21 | always written the date and when it was sent on the | 21 | told me and it has been a very good piece of |
| 22 | actual application; so again, that's a fault in our | 22 | advice he goes, "Facts don't care about your |
| 1 | | | |
| 23 | process. | 23 | feelings." And we get very caught up in our feelings |

CHAIRMAN NEWTON: Okay. All right. So you

23 process. 24 And just, you know, in response to Midland, we did -- we never received phone calls or emails from 25

| | - | | |
| 1 | the other side of this. | 1 | landed there and somebody may have picked it up with |
| 2 | So if our question is did they receive it or did | 2 | some other papers and they were shredded and so |
| 3 | they not, that is a fact and it doesn't matter how we | 3 | that's the difficulty I have. |
| 4 | feel about this situation. So I guess if that's it, | 4 | CHAIRMAN NEWTON: There's no proof. |
| 5 | I'll make the hard call and I'll motion that we do | 5 | MR. SUTTON: I don't think anybody would've had |
| 6 | not proceed how should I say that, the one | 6 | an ulterior motive to do that. Mistakes happen. And |
| 7 | CHAIRMAN NEWTON: The appeal will be dismissed. | 7 | I think somebody else has already said, you know, |
| 8 | MS. WOODS: that the appeal be dismissed. | 8 | this is a technicality here that unfortunately could |
| 9 | DR. MOORE: May I ask a question? And we are | 9 | affect, you know, what this family is looking to do. |
| 10 | further we're talking did they receive it; "they" | 10 | So that's where I'm wrestling about whether or not it |
| 11 | is both resident and nonresident school district? | 11 | truly is a black-and-white or white situation. |
| 12 | CHAIRMAN NEWTON: No, only the Midland. | 12 | MS. WOODS: And |
| 13 | MS. WOODS: The nonresident. | 13 | DR. MOORE: Well, I will add |
| 14 | DR. MOORE: Oh, so we only care about | 14 | MS. WOODS: No, you go ahead. |
| 15 | CHAIRMAN NEWTON: Midland. | 15 | DR. MOORE: Well, you're the attorney. I will |
| 16 | DR. MOORE: Why do we only care about Midland? | 16 | I do want to ask either the parents or the |
| 17 | I mean why is it only Midland? | 17 | resident school district nonresident school |
| 18 | MS. WOODS: Because the rules require both of | 18 | district. From my understanding this student has |
| 19 | them to receive a copy by May 1. DR. MOORE: Okay. | 19 | already attended Bald Knob, which is now the nonresident school district. Has that district |
| 20 21 | MS. WOODS: And if that's the fact, then I would | 20 21 | have you looked at doing a board-to-board transfer? |
| 22 | say that we dismiss the appeal. That's my motion. | 22 | That would be another way to transfer a student. |
| 23 | CHAIRMAN NEWTON: Okay. We have a motion by Ms. | 23 | MRS. GORDON: So, a legal transfer? |
| 24 | Woods that the appeal be dismissed because the | 24 | DR. MOORE: Yes. |
| 25 | Midland School District did not receive the school | 25 | MS. WOODS: Are we allowed to get into that? |
| | | | |
| | Page 62 | | Page 64 |
| 1 | choice application by May 1. | 1 | CHAIRMAN NEWTON: I don't think so. I don't |
| 2 | Do we have a second? | 2 | think |
| 3 | DR. MOORE: Can we have further discussion? | 3 | DR. MOORE: I'm not changing my well, okay. |
| 4 | SECRETARY KEY: After the second. | 4 | So we could talk about that after |
| 5 | CHAIRMAN NEWTON: Okay. I think we have to | 5 | MS. WOODS: If we decide to hear the appeal, |
| 6 | wait. | 6 | then I think we get into |
| 7 | SECRETARY KEY: After the second. | 7 | CHAIRMAN NEWTON: Yeah. |
| 8 | DR. MOORE: Okay. | 8 | MS. WOODS: the transfer situation |
| 9 | CHAIRMAN NEWTON: Do we have a second? | 9 | DR. MOORE: Okay. |
| 10 | (A FEW MOMENTS OF SILENCE) | 10 | MS. WOODS: on the merit. |
| 11 | SECRETARY KEY: It dies for lack of a second and | 11 | CHAIRMAN NEWTON: Yeah, I think we have to stick |
| 12 | you can continue the conversation. | 12 | with |
| 13 | CHAIRMAN NEWTON: Okay. So now we can continue | 13 | DR. MOORE: We have to stick with |
| 14 | the conversation, I guess. | 14 | CHAIRMAN NEWTON: Yeah, stick with |
| 15 | SECRETARY KEY: You have you need to rule | 15 | DR. MOORE: Okay. |
| 16 | that it dies. | 16 | CHAIRMAN NEWTON: either the appeal is going |
| 17 | CHAIRMAN NEWTON: Okay. The motion dies because | 17 | to be considered or the appeal is going to be |
| 18 | for a lack of a second. Thank you. | 18 | dismissed. And the reason would be either Midland |
| 19 | MR. SUTTON: My comment, Ms. Newton, is that you | 19 | did receive the school choice application by May 1 or |
| 20 | can perhaps prove that it was sent but I don't think | 20 | Midland did not receive the school choice application |
| 21 | we can prove that it was received, and that's what | 21 | by May 1. And that's the only thing that |
| 22 | made it difficult on those two options. Because it | 22 | DR. MOORE: And that is the only thing |
| 23 | was if you chose whichever option you chose you | 23 | CHAIRMAN NEWTON: that we can consider right |
| 24 | were saying somebody was not telling the truth. You | 24 | now. Yes. DR. MOORE: Okay. |
| 25 | can send it, and it may have been it may have | 25 | DR. WOORE, ORAY. |

| 1 | DR. RANKIN: I do have | 1 | faxed. Thank you. |
| 2 | DR. MOORE: So go ahead. | 2 | CHAIRMAN NEWTON: Ms. Gipson, do y'all still |
| 3 | DR. RANKIN: a question regarding the sending | 3 | have the original? |
| 4 | of the fax. I see where the parent signed the | 4 | SUPT. GIPSON: Yes, ma'am. I just didn't have |
| 5 | application on April 21st. What is the date that | 5 | it in my hands at that moment. It was on $4/29$. |
| 6 | you're saying, Ms. Gipson, that you actually faxed it | 6 | CHAIRMAN NEWTON: Okay. Thank you. |
| 7 | over? What is that date? | 7 | SUPT. GIPSON: You're welcome. |
| 8 | SUPT. GIPSON: We sent it on the 21st. | 8 | SECRETARY KEY: And |
| 9 | MS. THOMASON: (inaudible, not at the Zoom | 9 | CHAIRMAN NEWTON: Go ahead. |
| 10 | microphone) | 10 | SECRETARY KEY: Yeah. Just for the Board's |
| 11 | SUPT. GIPSON: I'm sorry; that's Ms. Christy | 11 | to make sure we understand, the you can ask him |
| 12 | Thomason. It has the date and time. I can't get my | 12 | all the questions you want to know. Dr. Bryant would |
| 13 | fingers on a copy, and I apologize. I didn't realize | 13 | be willing to answer whatever questions. Just a |
| 14 | I would be answering this many questions, just | 14 | reminder though that the burden of proof is on the |
| 15 | because of my lack of experience. But we send it the | 15 | appealing party. So, you know, as we're asking those |
| 16 | day that it's received. | 16 | questions we just want to make sure we keep that in |
| 17 | DR. RANKIN: Okay. And that date, just so y'all | 17 | mind. |
| 18 | know, on our scanned copy of it it's a little cut- | 18 | CHAIRMAN NEWTON: Right. Okay. So we may have |
| 19 | off. So that's why I asked. | 19 | to get Dan involved in this. But when you send a fax |
| 20 | CHAIRMAN NEWTON: Any other questions or | 20 | and it doesn't go through do you get some sort of |
| 21 | comments from the Board? | 21 | notification that it didn't go through? |
| 22 | Ms. Dean or Ms. Post? | 22 | MR. DAN DAVIS: Yes, ma'am. It's a |
| 23 | MS. DEAN: I do have a question for Midland. | 23 | SECRETARY KEY: Come to the microphone, Dan. |
| 24 | CHAIRMAN NEWTON: Okay. | 24 | CHAIRMAN NEWTON: Man, and I may need to swear |
| 25 | MS. DEAN: Ms. Gipson they said that at the | 25 | him in. |
| | Page 66 | | Page 68 |
| 1 | time that they faxed it you all were going through | 1 | MS. WOODS: I know I know that he can tell |
| 2 | transition there at the office. You verified that, | 2 | you, but I can tell you having done a ton of faxes |
| 3 | which means there probably was a lot of moving, a lot | 3 | before you do get a printout that basically says |
| 4 | of shuffling. To Mr. Sutton's point, is there a | 4 | transmission error and that you need to re-send. |
| 5 | possibility that you received it but perhaps it may | 5 | CHAIRMAN NEWTON: Okay. |
| 6 | have been misplaced during the office transition? | 6 | MS. WOODS: And it comes across your fax screen |
| 7 | SUPT. BRYANT: Ms. Dean, I'm not sure that I can | 7 | and you also get a paper printout. |
| 8 | confirm or deny that. I think it would be much more | 8 | CHAIRMAN NEWTON: Okay. |
| 9 | likely, however, that it failed to transmit | 9 | SECRETARY KEY: Yeah. And I'm messing with Dan |
| 10 | electronically; that our machine was actually out of | 10 | |
| 11 | commission. Our copy machine may have been in the | 11 | CHAIRMAN NEWTON: I know. I wanted to get him |
| 12 | process of being moved during this time period and so | 12 | to this microphone. |
| 13 | the fax transmission would have actually failed | 13 | SECRETARY KEY: because he does that to us. |
| 14 | during this time period. Rather than it was printed | 14 | But I will just say too that I think it depends on |
| 15 | and lost or shredded or misplaced, it was more likely | 15 | your fax machine settings. |
| 16 | that it did not complete its transmission. | 16 | CHAIRMAN NEWTON: Oh, okay. |
| 17 | Can I address the Dr. Rankin's question? | 17 | SECRETARY KEY: Because I don't know that it's |
| 18 | Even though that appears to be cut off, will we | 18 | going to be automatic. And I don't think we need to |
| 19 20 | agree that that does not look like a 4-21 that follows that but perhaps a $4/28$ or 202. I'm just | 19 20 | assume one way or the other |
| 20 | follows that, but perhaps a 4/28 or 29? I'm just | 20 21 | CHAIRMAN NEWTON: Okay. |
| 21 22 | pulling that out that I agree it's cut off, and I'm not sure I'm assuming that Bald Knob is in | 21 22 | SECRETARY KEY: of how those how somebody has got their fax machine set up. |
| 22 23 | possession of the original document. But this is all | 22 23 | CHAIRMAN NEWTON: Ms. Woods, I never thought we |

| 2 | we talking about that. | 2 | MR. SUTTON: No. |
| 3 | CHAIRMAN NEWTON: Okay. So, Ms. Dean, you had a | 3 | CHAIRMAN NEWTON: Okay. |
| 4 | comment or question? | 4 | MR. SUTTON: I think based on lack of evidence |
| 5 | MS. DEAN: No. I was just saying what Ms. Woods | 5 | that it was in fact received by Midland. |
| 6 | said was helpful and what Mr. Key Commissioner Key | 6 | MS. WOODS: So that means that we shouldn't hear |
| 7 | said. Because I have not done a fax in so long, so I | 7 | it |
| 8 | wasn't really clear on transmission, things of that | 8 | MR. SUTTON: No. |
| 9 | sort. | 9 | DR. MOORE: Because of lack of evidence. |
| 10 | CHAIRMAN NEWTON: Okay. | 10 | CHAIRMAN NEWTON: Yeah. |
| 11 | MS. WOODS: I will say it makes me feel better | 11 | MS. WOODS: If Midland didn't receive it, we |
| 12 | to know that the legal system is not the only one | 12 | can't hear the appeal. |
| 13 | that still uses fax machines. | 13 | MR. SUTTON: A lack of evidence that they did |
| 14 | CHAIRMAN NEWTON: All right. So we'll go back | 14 | not |
| 15 | to our beginning and this is a Finding of Fact. | 15 | CHAIRMAN NEWTON: Okay. |
| 16 | Okay. And it says I move the appeal be dismissed or | 16 | MR. SUTTON: is what I'm saying. |
| 17 | that we consider the appeal. And in both cases it's | 17 | CHAIRMAN NEWTON: Okay. All right. Do we have |
| 18 | whether or not the school choice application was | 18 | a second? |
| 19 | received by the Midland School District. | 19 | MS. McFETRIDGE: I'll second it. |
| 20 | MS. WOODS: I just have one more question. | 20 | CHAIRMAN NEWTON: All right. We have a second |
| 20 | CHAIRMAN NEWTON: All right. | 20 | by Ms. McFetridge. |
| 22 | MS. WOODS: And, Ms. Freno, it's you. Is the | 22 | Do we need to do a roll-call? |

| 23 | Is it 51% or | 23 24 | CHAIRMAN NEWTON: Okay. Can we discuss now? |
| 24 25 | MS. FRENO: Yes. In administrative procedure | 24 25 | DR. MOORE: Yeah. Can we discuss? |
| 25 | MS. FRENO. Tes. In administrative procedure | 20 | DR. MOORE. Tean. Can we discuss? |

| 3 | MS. WOODS: So we're talking 51/49? | 3 | SECRETARY KEY: Before we get in discussion, |
| 4 | MS. FRENO: Yes. Yes. And then as the | 4 | Madam Chair, can I can you restate the motion? |
| 5 | Secretary pointed out, the burden of proof on this | 5 | MR. SUTTON: Are you trying to trick me? |
| 6 | factual question is on the parent because the law | 6 | SECRETARY KEY: No, sir, I'm not. I'm just |
| 7 | does require the parent to submit to both districts. | 7 | trying to get it. |
| 8 | MS. WOODS: So 51% did they or did they not is | 8 | MR. SUTTON: I make the motion that we hear the |

| 10 | CHAIRMAN NEWTON: Right. | 10 | denial. |
| 11 | MS. WOODS: And that's so hard. | 11 | CHAIRMAN NEWTON: Based on? |

| 14 15 16 | receive the school choice application by May 1st. MS. WOODS: Yeah. So did Midland receive it, based if we're going strictly by the rule, from the parent. And I understand that the parent was | 13 14 15 16 | that? CHAIRMAN NEWTON: We have to have a Finding of Fact I think with this one because this was a this was |
| 14 15 16 17 | receive the school choice application by May 1st. MS. WOODS: Yeah. So did Midland receive it, based if we're going strictly by the rule, from the parent. And I understand that the parent was told something and she relied on that information. | 13 14 15 16 17 | that? CHAIRMAN NEWTON: We have to have a Finding of Fact I think with this one because this was a this was MR. SUTTON: Well |
| 14 15 16 | receive the school choice application by May 1st. MS. WOODS: Yeah. So did Midland receive it, based if we're going strictly by the rule, from the parent. And I understand that the parent was told something and she relied on that information. But that's where we're at, did they receive it or did | 13 14 15 16 17 18 | that? CHAIRMAN NEWTON: We have to have a Finding of Fact I think with this one because this was a this was MR. SUTTON: Well SECRETARY KEY: And let me |
| 14 15 16 17 | receive the school choice application by May 1st. MS. WOODS: Yeah. So did Midland receive it, based if we're going strictly by the rule, from the parent. And I understand that the parent was told something and she relied on that information. But that's where we're at, did they receive it or did they not. | 13 14 15 16 17 18 19 | that? CHAIRMAN NEWTON: We have to have a Finding of Fact I think with this one because this was a this was MR. SUTTON: Well SECRETARY KEY: And let me MS. WOODS: This one is different. |
| 14 15 16 17 18 | receive the school choice application by May 1st. MS. WOODS: Yeah. So did Midland receive it, based if we're going strictly by the rule, from the parent. So we are | 13 14 15 16 17 18 19 20 | that? CHAIRMAN NEWTON: We have to have a Finding of Fact I think with this one because this was a this was MR. SUTTON: Well SECRETARY KEY: And let me MS. SECRETARY KEY: And, Mr. Sutton, for the benefit of the Board, I mean that is the recommendation by your Counsel in this case of making sure that we |

So we are ready for a motion. MR. SUTTON: I'm going to make a motion that we hear the appeal. | 13 14 15 16 17 18 19 20 21 | that? CHAIRMAN NEWTON: We have to have a Finding of Fact I think with this one because this was a this was MR. SUTTON: Well SECRETARY KEY: And let me MS. WOODS: This one is different. SECRETARY KEY: And, Mr. Sutton, for the benefit of the Board, I mean that is the recommendation by your Counsel in this case of making sure that we follow this right and that there is a Finding of |

| the law. The findings show that they have not | 1 | the other I mean that's the recommendation that we | 1 |
| provided the burden of proof to show that they | 2 | have from Counsel. And we strongly urge that, just | 2 |
| that both of the districts received the application. | 3 | so that we're following the legal proceedings | 3 |
| I do have a question though. | 4 | correctly, administrative procedures correctly, that | 4 |
| CHAIRMAN NEWTON: Okay. | 5 | somehow your motion would have to address that issue. | 5 |
| MS. DEAN: I want I know previously even | 6 | MR. SUTTON: Well, within those constraints I | 6 |
| there well, I guess this is the question: even if | 7 | would have to say based on the fact of a lack of | 7 |
| the application was received later is there a way f | 8 | proof of receipt by Midland. That's a fact. A lack | 8 |
| this family to be put on the waiting list for next | 9 | of proof of did I say that right? Lack of proof | 9 |
| year? | 0 | of that it was received that the fax was | 0 |
| CHAIRMAN NEWTON: I think the law says Ma | 1 | received by the resident district. | 1 |
| We've had some come before | 2 | CHAIRMAN NEWTON: Then that would be the | 2 |
| MS. DEAN: Okay. | 3 | opposite of what you want. | 3 |
| CHAIRMAN NEWTON: after May 1 and we did | 4 | DR. MOORE: Right. | 4 |
| even address them at all, because the law | 5 | MS. WOODS: So | 5 |
| specifically says May 1st. | 6 | MR. SUTTON: All right. | 6 |
| Ms. Freno, is that correct? | 7 | MS. WOODS: Can I help you out? So we talked | 7 |
| MS. FRENO: Yes, Ms. Newton, that's correct. | 8 | about let me you're basing it on legal, so let | 8 |
| course, the child could apply in the next cycle for | 9 | me lay the facts. The iOssue I'm sorry, that was | 9 |
| the 22-23 school year. | 0 | probably not the issue that we have is did Midland | 0 |
| CHAIRMAN NEWTON: Right. | 1 | receive it. That's the fact, that's the question; so | 1 |
| MS. DEAN: Okay. | 2 | yes or no is kind of on our timeline. So in the yes | 2 |
| CHAIRMAN NEWTON: Right. | 3 | category, what evidence do we have that they received | 3 |
| MS. DEAN: All right. Thank you. I just wan | 4 | it? None, because we have testimony that they have | 4 |
| clarification on that. | 5 | not received it. We don't have any proof that they | 5 |

| Page 74 | | Page 76 |

| 5 don't have any proof that they received it. Based on | 5 | mistakes and lack of knowledge; I'll just say it that |
| 5 that outcome, our rules, our laws tell us that we're | 6 | way. But I have to agree with Ms. Woods on this |
| not permitted to hear this appeal. That's the | 7 | situation. |
| Finding of Fact yes or no, did they receive it or | 8 | CHAIRMAN NEWTON: So I'm not sure what we do |
| did they not. I'm not saying it's fair; I'm just | 9 | here. We had kind-of sort-of a motion and a second, |
| saying that that's the rule. | 10 | but I'm not sure we ever got a clear motion through. |
| MS. DEAN: Madam Chair, may I say something? | 11 | So, Ms. Freno |
| 2 CHAIRMAN NEWTON: Yes. | 12 | MS. FRENO: Well, there is a motion on the floor |
| MS. DEAN: It's unfortunate, but I have to agree | 13 | and a second. So I mean Mr. Sutton and whoever |
| 4 with Ms. Woods if we're going to abide by the rules | 14 | seconded Ms. McFetridge could they could |
| 5 and the law; it states very clearly, and | 15 | withdraw the motion. That is one option. Or you all |

| 1 | nonresident district with a copy to the resident | 1 | back to is the parent had an old application and on |
| 2 | district on the form post-marked no later than May | 2 | that application it says "must be submitted to the |
| 3 | 1st of the year in which the student seeks to begin | 3 | nonresident district." It doesn't say submit to |
| 4 | the fall semester. So we have proof that the | 4 | both. |
| 5 | application was provided to the nonresident school | 5 | MS. FRENO: That's correct, Ms. McFetridge. But |
| 6 | district before May 1? | 6 | the law and the rules both provide that it has to be |
| 7 | MS. FRENO: Correct. | 7 | sent to both. I mean if you look, as the Secretary |
| 8 | DR. MOORE: We don't have proof of a copy going | 8 | pointed out, on our website, we have the current |
| 9 | before May 1 and that right, there is no and | 9 | application that reads both the resident and |
| 10 | you're saying there's no waiver around the copy? | 10 | nonresident. The fact that the parent somehow got a- |
| 11 | MS. FRENO: No. What the law reads and I | 11 | hold of an old one, you know, perhaps from the school |
| 12 | believe it's the exact same rule | 12 | district, you know, that doesn't change the law and |
| 13 | DR. MOORE: It's the rule. | 13 | that doesn't change the rules. I understand your |
| 14 | MS. FRENO: is that the student's parent | 14 | concern that it might've misled the parent, but I |
| 15 | shall the student's parent shall submit an | 15 | mean you know, and I don't want to use the term |
| 16 | application to the nonresident district, with a copy | 16 | I'm not even going to use the word the I word. |
| 17 | to the student's resident district. That's all | 17 | But, you know, you've got to know what the law is. |
| 18 | referring to the parent. So when they say a "copy," | 18 | MS. McFETRIDGE: Right. |
| 19 | I mean perhaps that's just an artful legislative | 19 | MS. FRENO: I mean ignorance of the law is no |
| 20 | drafting. It's just one I mean it clearly, | 20 | excuse, but it's truly the law is the law, and |
| 21 | what the General Assembly intended with that one was | 21 | it's the law, it's in our rules, it's on our website. |
| 22 | a copy to the nonresident a document to the | 22 | We have a well-developed school choice website. We |
| 23 | nonresident district, a document | 23 | have we provide, you know, information to parents |
| 24 | DR. MOORE: Right. | 24 | I mean several times a day on school choice. So |
| 25 | MS. FRENO: to the resident district. | 25 | MR. SUTTON: Ms. Freno, is the 3% cap law? |
| | Page 78 | | Page 80 |
| 1 | DR. MOORE: Right. But in my head, a copy is | 1 | MS. FRENO: The 3% cap is law. Yes, it is. |
| 2 | that district Xeroxes the application. But what the | 2 | MR. SUTTON: We've gone around that several |

| 1 | DR. MOORE: Right. But in my head, a copy is | 1 |
|----|---|----|
| 2 | that district Xeroxes the application. But what the | 2 |
| 3 | intent is is that the parent has to fill out two | 3 |
| 4 | applications and mail them both in or take them both | 4 |
| 5 | in? | 5 |
| 6 | MS. FRENO: They don't have to fill out two. | 6 |
| 7 | They don't have to fill out two by hand. | 7 |
| 8 | DR. MOORE: Or they just make their own Xerox | 8 |
| 9 | copy. Yeah. | 9 |
| 10 | MS. FRENO: They could write one up, make a | 10 |
| 11 | copy, deliver the original to one and a copy to the | 11 |
| 12 | other; deliver a copy to either; they can email them | 12 |
| 13 | both. | 13 |
| 14 | DR. MOORE: Okay. | 14 |
| 15 | MS. FRENO: It's just a matter of it's the | 15 |
| 16 | notice component. I mean that's what it all comes | 16 |
| 17 | down to is both the resident district has to know and | 17 |
| 18 | the resident district and nonresident district, | 18 |
| 19 | they have to receive it so that both of them know | 19 |
| 20 | this application is out there and it has been filed | 20 |
| 21 | by the parent. | 21 |
| 22 | DR. MOORE: Okay. I just wanted to know that in | 22 |
| 23 | the event that maybe there was some leeway, but you | 23 |
| 24 | are the attorney here. Okay. | 24 |
| 25 | MS. McFETRIDGE: I guess the issue I'm going | 25 |

MR. SUTTON: We've gone around that several times. MS. FRENO: But that is because there are two

things that you -- that can be appealed from: one is the 3% cap and one is capacity. Those are the only two things that you can go around, as you -- your term. This is a hard deadline and the reason is is because, I mean, all school districts need to know what's going on; they need to get those applications. You know, it's unfair to the school districts -- I mean they need to know what's going on by May 1st so they can start making their determinations. And that's what we've always done, always; that's always been our interpretation and practice. And in the last session we actually incorporated that into law just to make absolutely clear that that has been this Board's interpretation for years.

MR. SUTTON: Well, let me ask you this: if a parent filled out an application and went to the nonresident district, and the nonresident district sent fax/email/scan, whatever to the resident district, have they complied? Because they didn't do it. It's in -- I think I heard you say it's incumbent upon the parent to do it. If the

received it. The question is did Midland receive it.

| | Page 81 | | Page 83 |
| 1 | nonresident did it and they didn't do it, did they | 1 | MS. FRENO: Correct. |
| 2 | comply? | 2 | DR. MOORE: The law does not state that they |
| 3 | MS. FRENO: Technically, if you want to get way | 3 | have to have the proof of it, does it? I mean if |
| 4 | down into the weeds | 4 | we're really going in the weeds here, the law states |
| 5 | MR. SUTTON: Well, we're playing technicality. | 5 | they have to submit the application to both |
| 6 | MS. FRENO: Okay. So if you want to get way | 6 | districts, and on their word they submitted an |
| 7 | down into the weeds, no. I mean it says parent. It | 7 | application to both districts. |
| 8 | says parent in here | 8 | SECRETARY KEY: I think the law presupposes that |
| 9 | MR. SUTTON: Yeah. | 9 | it's the completion of the act; otherwise, both |
| 10 | MS. FRENO: that the parent has to do it. | 10 | districts without receiving it both districts |
| 11 | MR. SUTTON: Yeah. | 11 | can't proceed with the next steps of the law. So in |
| 12 | MS. FRENO: But because the school district | 12 | this case Midland, having not received it, they could |
| 13 | and, trust me, there's discussion about this | 13 | not then put that student in the order to determine |
| 14 | because the school district told them that they would | 14 | the 3%. I mean there are things that happen after |
| 15 | do it that was considered that could be considered | 15 | that that has to the completion of the submission |
| 16 | like a tacit filing of the document by the parent | 16 | has to include the receipt by the district. And |
| 17 | DR. MOORE: Okay. | 17 | that's how I would interpret it and ask Lori if |
| 18 | MS. FRENO: a tacit approval. But I think | 18 | that's |

| 1 | application I put April 21st. That's when I was up | 1 | child and maybe work out do what Dr. Moore said; |
| 2 | there, sent the paperwork." And he said, "Well, we | 2 | try to work out something between the districts and |
| 3 | didn't get it that day." So everything y'all just | 3 | |
| 4 | voted for I asked what is the appeal process and | 4 | MRS. GORDON: Can I just say one thing? |
| 5 | he said, "You'll have to go back to your original | 5 | CHAIRMAN NEWTON: Yes. Come to the microphone, |
| 6 | paperwork to look at that appeal" and that there's a | 6 | if you don't mind. |
| 7 | ticking time on it. I said, "Okay. I don't know | 7 | MRS. GORDON: I do appreciate y'all, you know, |
| 8 | I don't know what that means." And he said, "Well, | 8 | debating it. And I teach at ASU-Beebe. I know the |
| 9 | I'm just going to tell you there's a ticking clock on | 9 | policies/procedures; like I know we like follow that |
| 10 | that." So I started freaking out and I drove back to | 10 | as well. But the learning cost for a school district |
| 11 | Bald Knob, hoping that they could help me. And she | 11 | on how to do that well is at the expense of our |
| 12 | said, "Well, yeah, what he's telling you is you could | 12 | family. So I just hope that y'all can work on those |
| 13 | do a legal transfer," but it had to be by 5:00 that | 13 | policies and procedures, because at this point I |
| 14 | night because that's when their board was meeting. | 14 | don't know who's going to pick up my daughter on |
| 15 | So I was like, "Well, can you help me with that?" | 15 | Monday from school, and that's three days. So |
| 16 | And she said, "Yes." So they helped me do the legal | 16 | CHAIRMAN NEWTON: Okay. Thank you. Thank you |

| 18 | got denied. | | 7. SCHOOL CHOICE - CUNNINGHAM FAMILY |
| 19 | DR. MOORE: Okay. | 19 | CHAIRMAN NEWTON: I know lunch is here, but we |
| 20 | MRS. GORDON: So that's when I contacted Taylor | 20 | have another family that's here, don't we? Let's go |
| 21 | Dugan and he was helping me with the appeal of both | 21 | again and hear this one before we break the |
| 22 | of those | 22 | Cunningham family. |
| 23 | DR. MOORE: Okay. | 23 | MS. FRENO: Ms. Newton, Ms. Cunningham is on |
| 24 | MRS. GORDON: decisions. | 24 | Zoom. We have the superintendent here |
| 25 | DR. MOORE: Okay. There's nothing that we can | 25 | CHAIRMAN NEWTON: Okay. |
| 25 | DR. WOORE. Okay. There's nothing that we can | 20 | CHARMAN NEW TON. Okay. |

| 3 | considered again because this is a there's a lot | 3 | CHAIRMAN NEWTON: Let's go ahead and do this one |
| 4 | of legal technicalities in here. The student has | 4 | before lunch and then we'll break after this and |
| 5 | never attended that resident school district and I | 5 | break for lunch. |
| 6 | think we're going we're going very far into the | 6 | MS. FRENO: The Cunningham family appeals the |
| 7 | legal weeds and this is a kid. So, again, I can't do | 7 | denial of their school choice application. The |
| 8 | anything about it, but bully pulpit. That's my | 8 | resident district is the Pine Bluff School District. |
| 9 | stance. | 9 | The nonresident is the White Hall School District. |
| 10 | CHAIRMAN NEWTON: All right. So do we have any | 10 | White Hall's reason for denying the application |
| 11 | other motions? | 11 | is capacity, that it is beyond the cap. |
| 12 | So at this point, Ms. Freno, the we don't | 12 | Now Barbara Warren, who is the superintendent of |
| 13 | hear the appeal and we move on. Is that correct? | 13 | the Pine Bluff School District, is not here today. |
| 1 | | 1 | |

13 14 MS. FRENO: That would be correct. If there is 14 no motion at this point, the matter -- I mean the 15 15 appeal fails for lack of a motion. 16 16 17 CHAIRMAN NEWTON: Okay. All right. 17 I'm sorry. You know, this was -- this was --18 18 19 this is probably the most difficult case that we've 19 20 -- school choice is always difficult, and this is 20 21

probably one of the most difficult that we have ever
faced when we see a parent wanting to do what they

| 1 | Ms. Cunningham, are you I see you now. Yes. | 1 | enrolled in White Hall. They have both went there |
| 2 | Okay. Would you raise your right hand? Do you | 2 | ever since 2015. So I mean they both go there; |
| 3 | swear or affirm that the testimony you're about to | 3 | they've always went there. My youngest daughter was |
| 4 | give shall be the truth, the whole truth and nothing | 4 | accepted by the school choice; my oldest daughter was |
| 5 | but the truth? | 5 | denied. And it's going to put a lot of burden on me |
| 6 | SUPT. DORRIS: Yes, ma'am. | 6 | to have to go to two different school districts with |
| 7 | MS. CUNNINGHAM: I do. | 7 | working a fulltime job and having a toddler to drop |
| 8 | CHAIRMAN NEWTON: All right. Mr. Dorris. | 8 | off and pick up and to go to the different school |
| 9 | SUPT. DORRIS: Thank you. Our position on this | 9 | events and so-on. I mean it's a large stress. And |
| 10 | was the student applied under school choice. Pine | 10 | not to mention I mean my daughter is extremely shy; |
| 11 | Bluff being a opportunity school put it at 95%; | 11 | she has a really, really hard time making friends |
| 12 | still, the student applied. And we have already | 12 | and, you know, she's been at White Hall for many |
| 13 | reached our 95% cap by law that the school district | 13 | years now and she finally made friends. The only |
| 14 | has to go by. The student was denied application on | 14 | reason I ever pulled her out of White Hall is because |
| 15 | the fact of being overcrowded. And as I spoke | 15 | their online courses didn't offer the pre-AP. And |
| 16 | before, parents have found ways or loopholes around | 16 | her dad is high-risk for Covid; he has many, many, |
| 17 | the system. And since the last time we talked to | 17 | many health issues, and so I pulled her and her |
| 18 | y'all we've had 40 over 40 kids enroll by | 18 | sister out so that they weren't going to be a risk |
| 19 | falsifying information, and we know that but you | 19 | for him. |
| 20 | can't prove it unless you're out there at their house | 20 | CHAIRMAN NEWTON: Okay. All right. We'll see |
| 21 | every moment making sure when they're in. Now I | 21 | if we have any questions from the Board. |
| 22 | don't want to go in a whole lot of detail on that but | 22 | Dr. Rankin? |
| 23 | right now we have more kids than we've ever had. And | 23 | DR. RANKIN: No questions. |

| 1 | law and maybe tell us about the group? | 1 | other districts that are you know, I think of Guy |
| 2 | MS. FRENO: And, Ms. Newton, the law we're | 2 | Perkins that is fighting for every single student |
| 3 | talking about is has to do with 3% cap. But what | 3 | that they can get, because that's putting them in |
| 4 | we're dealing with here is capacity, so that's | 4 | danger. And so we've got two total opposites of the |
| 5 | different. So any law that dealt with siblings then | 5 | issue, but both are hurting the district, you know. |
| 6 | and the 3% cap would not be applicable in this | 6 | And but then we also need to consider the child. |
| 7 | situation because the school district is not saying | 7 | And so I think that's what's kind of before us now is |
| 8 | they didn't accept the child because of 3% cap. | 8 | thinking about that. |
| 9 | They're saying they didn't accept the child because | 9 | Any other comments or questions from any board |
| 10 | of capacity. | 10 | member? |
| 11 | CHAIRMAN NEWTON: Okay. So if it was a 3% cap | 11 | Dr. Moore, did you have a comment you were |
| 12 | issue it would be okay. But because it's capacity | 12 | wanting to make? |
| 13 | it's not. | 13 | DR. MOORE: No, I think we do take each case |
| 14 | MS. FRENO: Yes. If it was a 3% cap a 3% cap | 14 | uniquely, but I also think that we saw this exact |
| 15 | issue, my understanding I think I'm right is | 15 | I know we saw this exact instance previously where a |
| 16 | that families you know, if that 3% cuts off right | 16 | student had un-enrolled due to virtual school and |
| 17 | in the middle of a family group, the whole group gets | 17 | then wanting to re-enroll in their school of choice. |
| 18 | to transfer | 18 | I would like to say and I don't obviously |
| 19 | CHAIRMAN NEWTON: Okay. | 19 | I don't think the Department is in charge of this. |
| 20 | MS. FRENO: and stay within that 3%. But | 20 | But I do hope that when students are looking to un- |
| 20 | that's not what's at issue in this case. | 20 | enroll and have done school choice the districts are |
| 22 | CHAIRMAN NEWTON: Okay. All right. Yeah. | 22 | communicating clearly with parents that they will |
| 23 | MS. WOODS: Are you going to Rule 2-2.03, are | 23 | have to reapply if they choose to go back into that |
| 23 | you talking about the one that says they may enroll | 23 24 | nonresident district. |
| 25 | in a nonresident district this is for siblings | 25 | SECRETARY KEY: Dr. Moore, every year I think |
| | Page 114 | | Page 116 |
| 1 | if the nonresident district has the capacity to | 1 | we've got this fixed and every year I learn that we |
| 2 | accept the sibling without adding teachers, staff, or | 2 | don't have it all fixed. |
| 3 | classrooms, or exceeding regulations? Is that | 3 | DR. MOORE: Yeah. |
| 4 | SECRETARY KEY: (Nodding head up and down) | 4 | SECRETARY KEY: So we'll we make notes after |
| 5 | MS. FRENO: Yeah. As far as capacity, under | 5 | every case and then we go back and see how we fix |
| 6 | Public School Choice it has to do with siblings. So | 6 | them in the next session. |
| 7 | I think this is the law, but I think it's the same as | 7 | CHAIRMAN NEWTON: Yeah. |
| 8 | what you just cited in the rule: "The sibling of a | 8 | SECRETARY KEY: Or with added communication, if |
| 9 | student who attends a nonresident district and | 9 | it's not a legislative case. |
| 10 | applies for school choice may enroll in the | 10 | CHAIRMAN NEWTON: Yeah. Communication is a big |
| 11 | nonresident district if the district has the capacity | 11 | deal. I think that we've seen today in both issues |
| 12 | to accept the sibling without adding teachers, staff, | 12 | that more communication is needed. |
| 13 | or classrooms or exceeding the regulations, rules or | 13 | Okay. So we're ready for a motion. The motion |
| 14 | standards established by law." | 14 | would be to either grant the appeal or deny the |
| 15 | CHAIRMAN NEWTON: And the district is saying | 15 | appeal based on the 3% cap not 3% cap based on |
| 16 | they don't have that capacity, and so that's why | 16 | the capacity issue. |

DR. MOORE: I will move to grant the appeal based on the uniqueness of this school year with virtual learning and where that goes.

CHAIRMAN NEWTON: Okay. We have a motion to grant the appeal from Dr. Moore. Do we have a second?

MR. DAN DAVIS: Did you see in the chat? CHAIRMAN NEWTON: No, I did not. I'm bad about not looking. Okay, I'm sorry. Ms. Cunningham.

| 10 | MS. CUNNINGHAM: Okay. Thank you. | 10 | CHAIRMAN NEWTON: Yes, Ms. Dean. |
| 11 | CHAIRMAN NEWTON: All right. So we have a | 11 | MS. DEAN: If I'm not mistaken, I think the |
| 12 | motion to grant the appeal from does that | 12 | prior case that Dr. Moore was referring to is the |

| 19 | CHAIRMAN NEWTON: Okay. I don't think we have a | 19 | DR. MOORE: Yes. |

| 21 | Do we have any other motions? | 21 | were removed. |
| 22 | (A FEW MOMENTS OF SILENCE) | 22 | CHAIRMAN NEWTON: Yeah. |
| 23 | CHAIRMAN NEWTON: So, Ms. Freno, we have no | 23 | MS. DEAN: And I think that was probably the |

| 2 | chose to move out of the district. And on top of | 2 | in the school district. They haven't rode the bus |
| 3 | that, we've seen so many cases with transfers into | 3 | since 2015. But my oldest daughter, like I said, |
| 4 | or waivers to transfer into White Hall. I mean just | 4 | she's advanced in a lot of her classes and she has a |
| 5 | from the ones that I've seen that has to do with | 5 | really, really hard time fitting in. And I feel like |
| 6 | their capacity is rising. This is a difficult | 6 | if I was to have to move her to Pine Bluff that it |
| 7 | decision because, as Madam Chair has expressed, we | 7 | would be detrimental to their emotional and their |

| 10 | additional students. For me, I guess the hard part | 10 | CHAIRMAN NEWTON: Okay. All right. Thank you, |
| 11 | is the siblings. | 11 | Ms. Cunningham. |
| 12 | CHAIRMAN NEWTON: Yeah. | 12 | Ms. Dean, do you have any other questions? |
| 13 | MS. DEAN: I do have a question. I don't know | 13 | MS. DEAN: I do not. Thank you. |
| 14 | if this goes to the parent or who it will go to. In | 14 | CHAIRMAN NEWTON: Okay. Any other board |

| 16 | that will be in one district and one child in | 16 | DR. MOORE: I just wanted to make |
| 17 | another. Is there a possibility for those children | 17 | DR. RANKIN: I guess I'm still going back to the |
| 18 | to go to the same go back to the same district | 18 | sibling issue. I mean that does give me some angst |
| 19 | that they were in before so that there's not this | 19 | that these siblings will not have the opportunity to |
| 20 | split transportation? | 20 | be at the same place. I know that simplifies for |
| 21 | CHAIRMAN NEWTON: Ms. Cunningham? | 21 | families. I guess I'm still going back to it says |
| 22 | MS. CUNNINGHAM: They were not in Pine Bluff | 22 | "during this we moved. I filled out the school |
| 23 | School District before. | 23 | choice forms the first week that open enrollment |
| 24 | MR. DEAN: They were doing virtual? | 24 | began for her and her sister. Her sister was |
| 25 | MS. CUNNINGHAM: We were doing Arkansas | 25 | accepted, but Felicity was rejected." So I guess I'm |

| 1 | Connections online. Like I said, it was all due to a | 1 | still trying to figure out how can you if the |
| 2 | safety concern for their dad. He has congestive | 2 | application was at the same time, what does that |
| 3 | heart failure, along with lupus, and he's got many | 3 | process I mean that was just the luck of the draw, |
| 4 | other issues on top of those. You know, we're | 4 | she hit on the that cap, one sibling got in and |
| 5 | divorced. We've been divorced for a long time, but | 5 | one sibling |
| 6 | we do have joint custody. They are with him one week | 6 | SUPT. DORRIS: As I talked about a minute ago, |
| 7 | and with me one week. And | 7 | we make a list in early April of how many students |
| 8 | MS. DEAN: Okay. | 8 | that we can accept in each grade level. And as we go |
| 9 | MS. CUNNINGHAM: However, with that being said, | 9 | through that list, we fill those the ones that |
| 10 | I still take them to school everyday, I still pick | 10 | in order, the way they came in. Now we've always |
| 11 | them up. He does not do that due to his health. | 11 | been led to believe if a kid applied they move up to |
| 12 | MS. DEAN: Okay. | 12 | the top of the list and bumping that first kid down, |
| 13 | MS. CUNNINGHAM: Because he cannot guarantee, | 13 | and that's what we do. We always do the whole |
| 14 | you know, that there's not something that's going to | 14 | process. And then we pick out the number and we say, |
| 15 | happen throughout the day with his health and he's | 15 | yes, we're going to be able to accept this many. |
| 16 | going to be able to be there to pick them up. | 16 17 | We've even went before and went through the list and, all of a sudden, some child comes in and fills out a |
| 17 18 | MS. DEAN: So, and what you're saying is that it would be an extra burden on you being the primary | 17 18 | school choice paper that applied last year. Well, |
| 18 19 | parent who is taking care of transportation? | 18 19 | they just bumped that kid that applied on that first |
| 20 | MS. CUNNINGHAM: Yes, ma'am. But I mean at the | 20 | night. Because we do it three or four different |
| 20 | end of the day it's not about the transportation all | 20 21 | ways: we have it being sent to us by email, which is |
| 22 | together for me. Yes, that is a burden, a great | 21 | time-stamped and dated, parents get a receipt. I do |
| 22 | burden. Like I said, I have a fulltime job and | 22 | pay attention, y'all. They get a date and time stamp |
| 23 24 | already have to leave early every day as it is to be | 24 | sent back in that night. Then if they come in I |
| 25 | able to pick them up from school. Because they do | 25 | can show you one here where they come in, we date |

| 1 | them they hand it to us and we date it, we stamp | 1 | in I mean she cannot be moved up in grade level |
| 2 | it, and so there's no doubt what time it came in. | 2 | like that. I can't allow it. And so I would put her |
| 3 | And that's the way we go through that order. And our | 3 | back into the Arkansas Connections Academy, and I |
| 4 | list, our master list it has the date, the time and | 4 | really don't want to do that. But if she could be |
| 5 | everything on it. So we try to do it we try to do | 5 | virtual at White Hall and have a chance of getting in |
| 6 | it legal so we don't have all these headaches. | 6 | next semester or next year, then I'm okay with that. |
| 7 | CHAIRMAN NEWTON: Thank you for that. | 7 | Like that is perfectly okay. |
| 8 | SUPT. DORRIS: Yeah. | 8 | SUPT. DORRIS: I don't have a problem with that. |
| 9 | CHAIRMAN NEWTON: Mr. Dorris, I just did have | 9 | CHAIRMAN NEWTON: Okay. |
| 10 | one question, and I don't know if this is even a | 10 | DR. MOORE: I wouldn't imagine you would because |
| 11 | possibility or not. Since you are going to offer | 11 | then you're getting the per-pupil funding for that |
| 12 | virtual this year, if the 8th grader were to go | 12 | student and you're not educating them. |
| 13 | virtual could she enroll in White Hall if she were | 13 | SUPT. DORRIS: Yes, ma'am. |
| 14 | to go virtual or is that not even a possibility? | 14 | CHAIRMAN NEWTON: Yeah. |
| 15 | SUPT. DORRIS: That would be a decision that I'd | 15 | DR. MOORE: And that's where I think and |
| 16 | leave up to y'all. But, yes, ma'am, we could put her | 16 | that's not on you; that is a state decision that |
| 17 | in virtual school. But if next year, if we still | 17 | we're going to have to make later on. If we are |
| 18 | don't have room for her, then we'd have to put her | 18 | allowing virtual every district to have a virtual |
| 19 | back in virtual. Because, you know, at least we can | 19 | school, then we have to change what capacity looks |
| 20 | plan ahead. I don't have a problem with letting her | 20 | like because, you know, that student will now be |
| 21 | go to virtual. You know, if y'all say, yes, the only | 21 | educated by Arkansas Virtual but you're still getting |
| 22 | way she can come back to White Hall is if she goes to | 22 | that full funding for them. But that's not you; |
| 23 | virtual, I don't have a problem with that. | 23 | that's a state policy discussion that we need to |
| 24 | CHAIRMAN NEWTON: Okay. All right. And if any | 24 | have. |

| 2 | okay. It is just a program. | 2 | SECRETARY KEY: from the district standpoint. |
| 3 | DR. MOORE: I guess I was just I was | 3 | So I would hate to put him on the spot |
| 4 | advocating for an unconditional because of the | 4 | CHAIRMAN NEWTON: Okay. |
| 5 | precedent we might set. But I also understand our | 5 | SECRETARY KEY: at this point |
| 6 | perspective here, so | 6 | CHAIRMAN NEWTON: All right. |
| 7 | MS. WOODS: Would it be easier, for efficiencies | 7 | SECRETARY KEY: to answer that. |

| 9 | it for them to work out? I just know like school | 9 | SECRETARY KEY: No. I mean, this conversation |
| 10 | starts for many like Monday, so | 10 | has gone a lot of different ways and I mean |
| 11 | SECRETARY KEY: Well | 11 | ultimately, as I said, if you know, there have |
| 12 | MS. FRENO: Well, I think | 12 | been a lot of different ways of solving these |
| 13 | SECRETARY KEY: Go ahead. Sorry. | 13 | problems that Mr. Dugan was able to work together |
| 14 | MS. FRENO: No, I was going to say I think what | 14 | before work out between the parties before it got |
| 15 | we could do, we could table it. School is going to | 15 | here. I think what we're saying what I'm |
| 16 | start soon. The superintendent can start working | 16 | suggesting is that it goes back to that stance. If |
| 17 | with the family as soon as he leaves here. And if | 17 | this is tabled |

| 23 | CHAIRMAN NEWTON: Tuesday. | 23 | MS. FRENO: But if it doesn't work out, then it |
| 24 | SECRETARY KEY: Oh, next week? | 24 | would come back at the special board meeting. |
| 25 | CHAIRMAN NEWTON: Right. | 25 | CHAIRMAN NEWTON: Okay. That sounds good if |
| | Page 138 | | Page 140 |
| 1 | MS. FRENO: And it is I mean and, you | 1 | that I didn't want to speak for the Board. I just |
| 2 | know, granted, a lot of these are worked out and, | 2 | said something I shouldn't have. |
| 3 | hey, if they can be worked out | 3 | Okay. All right. So we need a motion then to |
| 4 | MS. WOODS: I'm just trying to take something | 4 | table the issue. |
| 5 | else off the district. So at this point I think it's | 5 | MS. WOODS: I'll move to table it. |
| 6 | easier for us just to render a decision. I mean if | 6 | MS. DEAN: I move to table the issue. |
| 7 | it's easier for us to render a decision that they're | 7 | MS. WOODS: Or I'll second it. |
| 8 | going to ultimately come to I'm fine with that too in | 8 | CHAIRMAN NEWTON: Okay. All right. Ms. Dean |
| 9 | this case. | 9 | moved to table and Ms. Woods seconded. |
| 10 | MS. FRENO: Yeah. I don't think it would | 10 | All in favor? |
| 11 | necessarily be easier for the district if you render | 11 | (UNANIMOUS CHORUS OF AYES) |
| 12 | a decision. And I'm turning to the superintendent to | 12 | CHAIRMAN NEWTON: Okay. MS. Cunningham, do you |
| 13 | see if he is in agreement. | 13 | understand what we just went through, that we have |
| 14 | I mean is this something that you can visit with | 14 | tabled the issue and you and the district are going |
| 15 | the family about? | 15 | to sit down and try to work this out between you. |
| 16 | SUPT. DORRIS: As soon as I get back to the | 16 | But because it's tabled, if it doesn't work out then |

| 18 | CHAIRMAN NEWTON: So, Mr. Dorris, do you have a | 18 | meeting scheduled for Tuesday. But you can work that |
| 19 | preference? | 19 | out with Ms. Freno if the need arises. |
| 20 | SUPT. DORRIS: I'm always fighting with y'all. | 20 | MS. CUNNINGHAM: Yes, ma'am. |
| 21 | I'm sorry. Which preference do you want me to take? | 21 | CHAIRMAN NEWTON: Okay. Mr. Dorris, are you |

them to better understand and communicate why the waiver was needed and what it actually entails. In the last survey that was done, it was created since my coming back to the district in July 1 -- on July 1, and we created a Google Forms survey and communicated this survey and asked if our partners would help us to distribute this survey. And so the responses that we got basically showed us how much our community really understand and know about the waiver. So we're going to take this information and we're going to have some discussions with those team members and we're going to create a plan of action to communicate more effective ways in each entity that we partner with, trying to reach down a little deeper so that we can expand this information and knowledge a little deeper across our community. And if you noticed in the graph, based on each question -- there were five questions written. And if you notice -- I can't see the full screen before me, but in each of the five questions it shows overwhelmingly that there is a common understanding about the nature of the waivers. And what we want to do is to basically push that information [Zoom sound distortion] little bit deeper for others who may not be aware of what the waiver really does for us.

| 17 | the Zoom if you have any questions. | 17 | and I would say it was fairly successful. We would |
| 18 | CHAIRMAN NEWTON: Welcome, Dr. Bell. | 18 | have five or six students each day that logged in for |
| 19 | SUPT. BELL: Thank you. | 19 | that. And sometimes it was students who actually |

| 25 | today. | 25 | benefitted more than just our virtual students, so |

| | Page 182 | | Page 184 |
| 1 | CHAIRMAN NEWTON: Okay. All right. We'll see | 1 | our numbers were higher than what we expected for |
| 2 | if we have any questions from the Board. | 2 | that virtual tutoring. But some of that included |
| 3 | Anyone on this side? | 3 | students who were actually on campus that took |
| 4 | Okay. Over here? | 4 | advantage of that tutoring option that we had in |
| 5 | DR. MOORE: Yes, I do which a lot of them | 5 | place. So we are continuing that this year and we'll |
| 6 | today are requiring teachers to play that dual role | 6 | encourage students all students to participate; |
| 7 | of in-person and online. Will this be done | 7 | it's available for all of our students, not just |
| 8 | SUPT. BELL: Yes. | 8 | virtual. |
| 9 | DR. MOORE: during the same class period? | 9 | MS. POST: I was just happy to see that that was |
| 10 | And | 10 | available for students in that later part of the day |
| 11 | SUPT. BELL: We're yes. | 11 | when they're finished with their regular day. |
| 12 | DR. MOORE: is this like y'all did last year? | 12 | SUPT. BELL: Yes. Yes. Yes. |
| 13 | SUPT. BELL: Yes. Last year we did not have it | 13 | CHAIRMAN NEWTON: That sounds like |

| 16 | period of the day. But this year we we did learn | 16 | question, Ms. Post, because that sounds like a |
| 17 | from that, because that was really tough on the | 17 | success story that came out of all the stress of the |
| 18 | teachers. So we're doing our best to and right | 18 | pandemic that we need to share that the possibility |
| 19 | now we have it lined up this way, but the virtual | 19 | for virtual tutoring afterschool is not just for |
| 20 | students would be in one class period so the teachers | 20 | virtual kids, but it's for all kids. |
| 21 | only have to do a Google meet or a Zoom one hour a | 21 | SUPT. BELL: Right. |

| 22 | day instead of multiple hours per day. So we're | 22 | CHAIRMAN NEWTON: I think that's you know, |

one of the things we want to do is try to close the gap and close learning loss --

SUPT. BELL: Right.

working really hard to keep that intact for our

teachers as support for them coming up on this year.

It may not work out that way, given our numbers;
